

Abstract Title (Arial, bold, 14pt, centered)

Presenting author underlined, Co-Author(s), Affiliation(s) (Arial, 11pt, centered)

E-Mail: Presenting Author (Arial, 11pt, centered)

Abstract text: Arial, 11 pt, justified. Use paragraphs as you see fit to structure your text.

The full abstract, including title, authors and references (see below) must fit on one single page of US Letter format, with margins of 2 cm on all sides.

Special characters should be added in the same font as the main text (Arial). To add special characters in Microsoft Word, use the “Insert” → “Symbol” tool. **Please do NOT enter special characters using a different font, e.g. the “Symbol” font in Windows.**

Images will be printed in greyscale if a printed abstract book is requested. Please do not use tables of any sort in the abstract.
